: Sixth in the series, you have been called to the Lost Lands by Fiora, great-granddaughter of Maaron, the hermit/druid. Seems he is in trouble, and the Lost Lands with him. A witch named Cassandra has taken over the realm and uses arachnoids to weed out any undesirables. You know, like Fiora and you. She has asked you to figure out what her great-grandfather was working on. And rescue them all. HO scenes interesting, plot engaging, and minigames fun. Not yet placed in the bundle.
